

HELL<sup>☀</sup>  
Summer

**Chapter #7, 8, 9.... Hello warmer weather!! We have so missed you!  
So, let me guess, there have been some twists and turns, but you are still moving forward  
with your goals. Every little step is a step forward.**

**Believe me when I say this... Self Care is SO important! Taking care of yourself is a  
reflection to those around you. BE the LIGHT!! You never know who will come into your  
path, and you may make an impact on them. Taking that step forward in taking care of  
yourself is also helping someone else. Your small act might have changed the mind of  
someone ready to give up. Choose kindness. Choose grace. Change the world.**

**Verse of the Month**

**"You are the light of the world. A city set  
on a hill cannot be hidden. Nor do people  
light a lamp and put it under a basket,  
but on a stand, and it gives light to all in  
the house. In the same way, let your  
light shine before others, so that they  
may see your good works and give glory  
to your Father who is in heaven."**

**Matthew 5:14-16**

**Special Thank You to our Hosts! You have been truly  
a blessing to our families. Thank you for all that you  
bring to the table for Family Promise!**

**Your continued support to our mission is AMAZING!!**

Executive Director gave staff a task. To take the RTA from Family Promise to Harding Hwy Walmart to get a loaf of bread. What an experience! Just for a loaf of bread it took us 4 1/2 hours to return back. RTA thank you for helping us navigate to our destination and have a great experience. Also, we have learned a valuable lesson, do not take anything for granted!
